TERMS AND CONDITIONS

Trade Stands form a lovely retail village around and adjacent to the Show Jumping Arena. The fee for a Trade Stand pitch is £50 + VAT for a 3m x 3m stand. Discounts are available to sponsors. For more information on sponsorship please contact the ADDO Events team on 07542 022620.

Applications for trade stands (especially shedding) MUST be received by 1st September 2025. If shedding applications are not received by the deadline, there will be a £100 penalty charge. The deadline for your payment, for all applications, is 30th September 2025.

Trade Stands must be erected on the days and time already stated. You will be sent full instructions prior to this and entry will be well signposted. Pitches and shedding will be in a pre-ordained plan and you will be shown your spot on arrival. No specific onsite security will be provided. However, there will be contractors and other traders staying overnight on site.

All exhibitors/trade stands are responsible for the safety of their own stands and the risk that they may pose to other persons within the allocated space or immediate surrounding areas. They must ensure they have complied with all statutory legislation regarding testing of equipment (including their own fire extinguishers), training of staff and erection of equipment. These requirements will be monitored by the Health and Safety Steward and the Organiser.

The exhibitors/trade stands are responsible for all product liability in line with their statutory duties under trade description legislation. Trade stands selling or sampling food and/or drink must be aware of and comply with all food hygiene and safety regulations.

It is recommended by British Eventing that all Trade Stand owners ensure they are covered under their own Third-Party insurance for any foreseeable risks.

Please note we are always over-subscribed by food retailers and we reserve the right to choose which food retailers attend our events (it is not first come first serve).
